

Dromex

DENIM JEANS

DW-DENIMJEAN

Description

Dromex® 100% cotton industrial denim pants is designed to protect the user from abrasion when working in environments exposed to mechanical hazards.

This garment features the following:

- Core-spun thread that is double stitched for durability on the inlegs, pocket opening, zip front, back yoke and the back rise.
- A concealed brass zip and button closure at waist.
- Front swing pockets with brass rivet and stud.
- A Dromex® sidewinder label and leather label.
- Double needled topstitching.
- Hem allowance of 1.5cm.
- The cotton natural fibre construction makes this garment comfortable and breathable.

This garment is suitable for use in general work environments such as warehouses, construction, corporate and promotional work.

Special Instructions

Although the manufacturer has examined these garments under the system for ensuring quality of production by means of monitoring and inspection, we recommend that all garments should be thoroughly inspected before use to ensure no damage is present.

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer. The garments and information contained herein are designed to accommodate the basic safety requirements and standards for Personal Protective Equipment. Actual conditions of use cannot be directly simulated in a test environment, therefore it is the responsibility of the user and not the manufacturer or supplier to determine the suitability for intended use.

Cleaning & Maintenance

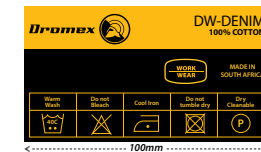

The following suggestions will help keep your garment neat and safe. Denim garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and settings are adhered to. Should home procedures not remove contaminants, then dry cleaning is recommended.

Our recommended cleaning for these garments are as follows:

- Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
- Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach as fading may occur.
- Do not tumble dry.
- Do not hang in direct sunlight as fading may occur.
- When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
