## STRETCH CHINOS

DW-CHINOS

- ST
- NB
- BLK

### Description

Dromex® DW Chinos are a cotton and elastane blend, lightweight stretch pants which are classic in design that offers comfort, durability and sturdiness.

The cotton satin weave finish and natural fibre construction makes these pants breathable.

These relaxed fit chinos are ideal for corporate use or promotional work environments, particularly when paired with either formal shirts or golfers.

The Chinos construction features the following:

- A concealed brass zip with Dromex® branded metal button closure at waist.
- Two front swing pockets, with money pocket on the right side.
- Two rear welt open pockets.
- Centre back and front crotch are double needle topstitched for added durability.
- Inleg with single needle topstitching for added durability.
- Pleats on the rear allows pants to expand when sitting for comfort and prevents puckering pockets and unnecessary seam tension.

- Hem allowance of 1.5cm.
- A solid waist for optimum fit with 5 belt loops.

### Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer. The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection. These cotton pants are designed to accommodate the basic safety requirements and standards for Personal Protective Equipment. The information contained herein is intended to assist the wearer in the selection of personal protective equipment. Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use. These pants should be thoroughly inspected before use to ensure no damage is present.

- Sizes 38-50 sold as 18 pants.

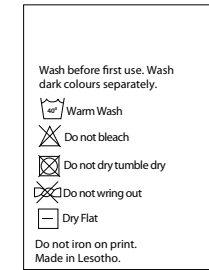

### Cleaning & Maintenance

- The following suggestions will help keep your garment in good condition:
- Cotton blend garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and settings are adhered to.
  - Should home procedures not remove contaminants, then dry cleaning is recommended.
  - Our recommended cleaning for these garments is as follows:
    - Wash separately with like colours.
    - Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
    - Do not use bleach or use products containing bleach as fading and reduced fabric strength may occur.
    - Do not tumble dry garments.
    - Thoroughly rinse the chinos.
    - Do not hang in direct sunlight as fading may occur.
    - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
    - Iron the pants on low heat.
